

Best in Show Winner West Wales F.F.C.C 2023

Best Novice Scottish F.F.C.C 2023

## STANDARD OF EXCELLENCE

- **SIZE – 25** To the diminutive and the bird's length no greater than 108mm (4¼ Inches)
- **HEAD & NECK – 15** Rounded, well filled and proportionate to the bird's body size with a demonstrable freeness of the neck, that is created by a clear starting point between the neck and the back, forming the desirable break in the neck and rise of the back.
- **BODY – 15** Proportional width across the shoulders showing a roundness from all angles viewed. The roundness of the back to form a high rise from the shoulder and break in the neck, falling to a gentle rounding at the base of the tail. Balanced and rounded, with the rise on the back well filled and being equal to the fall of the chest.
- **WINGS – 10** Compact and tidy, touching at the tips below the base of the tail, covering the rump and back descending downward. Giving an overall appearance of tidiness and evenness.
- **POSITION & CARRIAGE – 10** Posture to be upright and at an angle of 60 degrees, moving in a confident manner without loss of position.
- **PLUMAGE – 10** Tight to body, rich, pure, and free from frill or roughness. Exceptional in quality.
- **COLOUR – 5** To be of good natural colour and not showing a harshness that can be displayed by such methods as colour feeding, which is prohibited.
- **LEGS – 5** Balanced and of proportional size to the bird's body, showing some thigh. In positional relevance to the body aiding the correct position and carriage.
- **TAIL – 5** Compact and slender. Neatly drawn, packed, and saturated at the root.
